

# About the Alaska Radio Control Society

Founded in 1957, the Alaska Radio Control Society (ARCS) is the largest and oldest R/C club in Alaska. We maintain flying sites in Anchorage and the Mat-Su Valley for R/C aircraft of all types from 40% scale to indoor models. Our paved field on Elmendorf AFB is open to all ARCS members and is plowed during the winter for year round flying fun. The club also maintains a beautiful mowed grass runway at Point MacKenzie for flying during the summer months. In addition to the Elmendorf and Point MacKenzie outdoor fields, we also fly indoors during the school year at Teeland Middle School in Wasilla and Lumen Christi High School in Anchorage.

Monthly ARCS meetings are held at Bell's Nursery, 13700 Specking Ave. in Anchorage on the first Tuesday of each month at 7:30 PM. Anyone with an interest in R/C is welcome at the meetings. Come on out, we look forward to meeting you!
